Announcement on the Resolution of the Thirty-fourth Meeting of the Tenth Session of the Board of Directors

I. The Meeting of the Board of Directors

(I) The convening of the Thirty-fourth Meeting of the Tenth Session of the Board of Directors (the “Board”) of Ningbo Shanshan Co., Ltd. (the “Company” or “Shanshan”) was in compliance with the Company Law of the People's Republic of China, the Articles of Association of Ningbo Shanshan Co., Ltd. (the “Articles of Association”) and the relevant laws and regulations.

(II) Notice of this meeting of the Board was given in writing on 12 October 2022.

(III) This meeting of the Board was hold on 17 October 2022 by way of communication voting.

(IV) This meeting of the Board was chaired by the chairman of the Company. There were 11 directors should attend the meeting of the Board, among which, 11 directors actually attended the meeting, and there were no absent directors.

II. Particulars of the Meeting of the Board

The following proposals were considered and approved at the meeting:

(I) Proposal on the Fulfilment of the Conditions for the Private Placement of Shares by the Company

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

In accordance with the Company Law of the People's Republic of China, the Securities Law of the People's Republic of China, the Administrative Measures for the Issuance of Securities by Listed Companies (), Detailed Rules for the Implementation of Private Placement of Shares by Listed Companies (), the Supervision Q&A on Issuance — Regulatory Requirements relating to Guidance on Standardizing

Financing Activities of Listed Companies (_____) and other relevant laws, regulations and normative documents, the Board conducted a self-examination of the actual situation of the Company item by item and concluded that the Company is in compliance with the provisions of the existing laws and regulations on the private placement of shares and has the conditions for the private placement of shares, and agreed to the application of the Company for the private placement of shares.

Independent directors have expressed independent consent.

This proposal is subject to the general meeting for consideration.

(II) Proposal on the Scheme for Private Placement of Shares of the Company

1. Type and nominal value of shares of the private placement

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The shares to be issued in the private placement are domestic listed RMB ordinary shares (A shares) with a nominal value of RMB1.00 each.

2. Issuance method and issuance time

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The issuance of all of the shares will be carried out by way of private placement to specific target subscribers, and the Company will choose an appropriate opportunity to issue shares to specific target subscribers within the validity period after this issuance is approved by the CSRC.

3. Target subscribers and subscription method

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

Target subscribers of the Private Placement are no more than 35 (including 35) specific investors, including the qualified securities investment fund management companies, securities companies, trust companies, finance companies, asset management companies, insurance institutional investors, and qualified foreign institutional investors who meet the conditions specified by the CSRC and other legal persons, natural persons or institutional investors who meet the conditions specified in the relevant laws and regulations. Where a securities investment fund management

company, a securities company, a qualified foreign institutional investor or a Renminbi qualified foreign institutional investor subscribes for the shares in the name of two or more products under its management, it shall be treated as one target subscriber. Where the target subscriber is a trust company, it must subscribe with its own capital.

All the target subscribers shall subscribe for the shares to be issued during the Private Placement in cash. The final target subscribers will be determined by the Board of Directors of the Company within the authority granted by the general meeting in consultation with the Sponsor (lead underwriter) for the Private Placement based on the inquiry result and in accordance with the relevant laws, administrative regulations and normative documents after the Company obtains the approval of the CSRC.

4. Issuance price and pricing principle

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The price benchmarking date of the private placement shall be the first day of the offering period of the private placement. The offering price shall not be lower than 80% of the average trading price of the Shares of the Company for the 20 trading days prior to the price benchmarking date (average trading price of the Shares for the 20 trading days prior to the Price Benchmarking Date = Total trading amount of the Shares of the Company in the 20 trading days prior to the price benchmarking date/total trading volume of the Shares of the Company in the 20 trading days prior to the Price Benchmarking Date).

The floor offering price of the private placement shall be adjusted accordingly in cases of ex-rights and ex-dividends matters such as distribution, bonus issuance, repurchase and conversion of capital reserve into share capital during the period from the price benchmarking date of the private placement to the offering date.

On the basis of the above floor offering price, the final offering price will be determined by the Board of Directors of the Company within the authority granted by the general meeting in consultation with the Sponsor (lead underwriter) for the private placement based on the subscription quotation of the target subscribers and in

accordance with the price priority principle and the relevant laws, regulations and normative documents after the Company obtains the approval of the CSRC.

5. Number of shares to be issued

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The number of shares offered through private placement is calculated by dividing the total amount of funds raised through the private placement by the offering price. In addition, according to the Q&A on Issuance Supervision - Supervision Requirements on Directing and Regulating the Financing Acts of Listed Companies (Revision) released by the CSRC, the number of shares offered through private placement shall not exceed 30% of the total share capital of the Company prior to the private placement, that is, no more than 671,539,661 shares (including 671,539,661 shares, subject to the number approved by the CSRC).

The upper limit of the number of shares to be issued in the private placement shall be adjusted accordingly in cases of capital change matters such as bonus issuance, repurchase and conversion of capital reserve into share capital during the period from the date of announcement of the board resolution in connection with the private placement to the offering date. Within the above range, the final offering quantity shall be determined by the board of directors under the authority of the general meeting and in consultation with the sponsor (lead underwriter) of the private placement according to the actual situation of the issuance.

6. Lock-up period

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The shares issued through the private placement shall not be transferred within six months from the ending date of the private placement. The target subscribers who reduce their shareholding by transferring the shares they subscribe in the private placement upon expiration of the lock-up period are required to comply with the relevant requirements of the CSRC and Shanghai Stock Exchange.

During the lock-up period, the shares obtained by the target subscribers under private placement due to the bonus issuance and the conversion of capital reserve to share capital shall also be subject to the above lock-up arrangement.

7. Disposal of Accumulated Undistributed Profits before the Private Placement of Shares

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

In order to take into account the interests of the new and old shareholders, the accumulated undistributed profits of the Company before the private placement shall be shared by the new and old shareholders according to their shareholding proportion after the completion of the private placement.

8. Place of listing

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

Shares to be issued during the private placement will be listed and traded on the Shanghai Stock Exchange.

9. Validity of resolution

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The resolution in relation to the private placement shall remain valid for twelve months from the date on which relevant resolutions are considered and approved at the general meeting.

10. Use of proceeds

(11 voted in favor, 0 voted against, 0 abstained, 0 avoided)

The total proceeds from the private placement, which is no more than RMB 6,000 million (inclusive), shall be used for the investments in the following projects after deducting the relevant issuance expenses:

Unit: RMB0'000

No.	Project name	Total project investment	Amount of proceeds invested	Implementation entity
1	The lithium-ion battery anode material integration base project with the annual output of 300,000 tons of Yunnan Shanshan New Material Co., Ltd. () (Phase 1)	792,710.64	420,000.00	Yunnan Shanshan New Material Co., Ltd.
2	Supplement to working capital	180,000.00	180,000.00	Shanshan

Total	972,710.64	600,000.00	-
-------	------------	------------	---

If the actual amount of proceeds from the Private Placement after deducting the issuance expenses is less than the proposed amount of proceeds to be applied in the above projects, the Company will adjust the order of priority and specific investment amounts of each project based on the actual amount of net proceeds and the priority of each project, and any shortfall in the proceeds will be made up by utilizing the self-raised capital of the Company..

Prior to the receipt of the proceeds from the Private Placement, the Company may contribute self-raised capital in accordance with the actual progress of the projects, which will be replaced with the proceeds upon its delivery.

Independent directors have expressed independent consent.

This proposal is subject to the general meeting for consideration.
